
County of Peterborough
Class Environmental Assessment
Structural Renewal of Birdsall Bridge (099019) on River Road
Notice of Study Completion

The County of Peterborough is studying the structural renewal of the Birdsall Bridge on River Road between Asphodel 2nd Line and Asphodel 3rd Line. The project is being planned under schedule B of the Municipal Class Environmental Assessment. The goal of this study is to select a preferred structural renewal alternative with respect to technical and environmental issues. Consultation with all interested parties provides the initiator of the study with valuable information regarding all aspects of the project.

The preferred structural renewal alternative selected during the course of this study was the replacement of the existing structure. The project plans and information are available at the Westwood Branch of the Asphodel-Norwood Public Library.
